The Mississippi Department of Rehabilitation Services is an Equal Opportunity Employer.

Home and Community-Based Waiver Programs

provide long-term services and supports to individuals in their homes and communities as an alternative to nursing home care.

To qualify for these waivers, individuals must meet the following eligibility requirements*:

- » Must require Nursing Facility Level of Care
 - » Must be medically stable
 - » Must be Medicaid eligible
- *Additional criteria may apply.

Services provided through this program include:

- Attendant Care
- Specialized Medical Equipment and Supplies
- Home Modifications
- Nursing Home Transition Assistance
- Respite Care (TBI/SCI Waver only)

Traumatic Brain Injury/ Spinal Cord Injury Trust Fund Program

provides direct services to individuals who have sustained a traumatic brain injury/spinal cord injury. Innovative programs are also provided to focus on the awareness and prevention of these conditions.

To qualify for the Trust Fund, individuals must meet the following eligibility requirements:

- » Must have a severe disability as a result of a traumatic spinal cord injury or traumatic brain injury (not from congenital or medical procedure)
- » Must be a resident of Mississippi
- » Must be medically stable
- » Must not be eligible to receive duplicate services under any other program

Services provided through this program include:

- Transitional Attendant Care (12 months or less)
- Specialized Medical Equipment
- Home Modifications
- Vehicle Modifications
- Respite Care

Federal Independent Living Grant

provides funding for solutions that help individuals with disabilities regain more independence in their environments.

To qualify for this grant, individuals must meet the following eligibility requirements:

- » Must have a severe physical or mental impairment which substantially limits his/her ability to obtain, maintain, or advance in employment or live more independently
- » Must not be eligible to receive duplicate services under any other program

Services provided through this program include:

- Assistive Aids
- Durable Medical Equipment
- Home Modifications
- Vehicle Modifications
- Orthotics and Prosthetics

State Attendant Care

provides personal care services to individuals who have severe disabilities and are not eligible to receive these services through other sources. Participants cannot be eligible to receive duplicate services under any other program.

To qualify for this program, individuals must meet the following eligibility requirements:

- » Must have a severe physical or mental impairment that causes them to need assistance with their activities of daily living
- » Must not be eligible to receive duplicate services under any other program
