HUNTER SAFETY CHECKLIST

#staysafeyall

- Never point your gun at another person
- Unload firearms when not in use
- Make sure your safety is on when not in use
- Never put your finger on trigger unless ready to shoot
- Let someone know where you'll be
- Be sure of your target and what is beyond it
- Never shoot over water
- Always wear eye and ear protection
- Always wear hunter orange
- Be sure barrel is clear of obstruction
- If gun fails to fire, handle with care
- Always check your stand, straps and ladder prior to the hunt
- Check trees and limbs above you to ensure nothing is rotten or dead
- Check for wasp nests in or near your stand
- Always wear a harness when in a climbing stand
- Footwear with ankle support is always best

Stay safe out there Mississippi!
But if something happens, we are here to help.

MDRS provides comprehensive services to Mississippians with disabilities to help them gain employment, retain employment and live more independently. #itswhatwedo
