

CLIENT SERVICES

Office of Business Development

Our Business Development team collaborates closely with vocational rehabilitation counselors to provide tailored support to you.

We are dedicated to helping you prepare for, obtain, maintain, and advance in employment. Our comprehensive services are designed to support career growth and success.

We provide a range of services to support you in your journey to successful employment.

Our services include:

Internship Placement

Facilitating placements in internships to gain practical experience in various fields.

Job Shadow Program

Arranging job shadowing opportunities to help you understand the day-to-day realities of different careers.

Job Search Assistance

Assisting you in identifying and applying for suitable job opportunities.

Resume Preparation

Crafting and refining resumes to highlight your skills and experiences effectively.

Mock Interviews

Conducting practice interviews to build confidence and improve interviewing skills.

Professional Voicemail and Email Training

Training on creating professional voicemail messages and email communications.

Dress for Success Classes

Offering advice and guidance on appropriate workplace attire to make a positive impression.

Career Goal Exploration

Assisting you and your vocational rehabilitation counselor in identifying and exploring potential career paths aligned with your interests and abilities.
