

PARTNER TRAINING PROGRAMS

***Partner with MDRS to build
your future workforce***

MDRS partners with businesses to provide structured, time-limited training and work experience in real workplaces. We work with you to create meaningful experiences that support your business needs and help participants learn real job skills.

A KEY BENEFIT FOR YOUR BUSINESS

**MDRS covers wages and workers'
compensation for qualifying clients**

WHAT KIND OF TRAINING CAN WE PROVIDE?

COMMUNITY-BASED TRAINING

Short-term training in your workplace that lets a participant learn real job tasks with guidance and support.

WORK-BASED LEARNING

A structured work experience focused on workplace skills, career exploration, and hands-on learning for students.

INTERNSHIP/WORK EXPERIENCE

A time-limited opportunity for a participant to gain practical experience in an integrated workplace.

Training experiences may be adjusted or concluded at any time based on the needs of the participant and business.

WHY PARTNER WITH MDRS?

- Build a future talent pipeline
- Train potential workers in your actual workplace
- Receive consultation, technical assistance, and support from MDRS
- Access job coaching and workplace support when appropriate
- No obligation to hire after the experience

PARTNER WITH MDRS

Simple. Supported. Business-focused

HOW IT WORKS

1. TELL US WHAT YOU NEED

Share your workplace, job tasks, training needs, and the type of experience you can offer.

2. WE HELP BUILD THE EXPERIENCE

MDRS works with you to identify an appropriate participant and plan the experience.

3. WE COORDINATE THE DETAILS

Approvals, wages, workers' compensation, and support are coordinated before the experience begins.

4. YOU PROVIDE THE WORKPLACE

Your business provides the real-world setting and training opportunity. MDRS remains available to support the partnership.
